Player 4 Name: \_\_\_\_\_

This tournament will support the many activities and programs of the Sheffield Historical Society, including an annual scholarship. The Society's goal is to stimulate interest in local history and to interpret the town's past. It collects and preserves records and materials relevant to the town, which includes the hamlets of Sheffield and Ashley Falls, exhibits them and makes them available for exhibits, research, and educational program. The mission of the Sheffield Historical Society is to promote a wider understanding of the people and events that preceded us in this area, and to preserve and transmit that heritage to current and future generations
